The net acknowledges _____ Thank you

Is there a station that will serve as our liaison to the M net today?

The net acknowledges _____ Thank you.

At this time any station with formal written traffic to list please call.

(List and prioritize traffic. If none go to request for relays) *

Is there a station on frequency that can handle traffic for _____ .

(call for each one listed in the order of it's priority)

_____ call _____ and pass your traffic for _____ .

(use the RN5 liaison for out-of-state traffic)

(Repeat this procedure until the traffic list is completed)

Is there any additional formal written traffic for the net?

Are there any relays for stations with formal traffic? *

Any station with business or announcements for the net please call now.

Does anyone have informal traffic?

(Informal words between stations who check in may be delayed until after the net concludes in order to expedite the session)

- ALABAMA DAY NET SCRIPT -

8/29/2007

This completes the formal net session. Region 5 liaison stations are excused and may proceed to that net when time requires you to go.

The net will now take check-ins from any additional stations.

The net recognizes _____. Any other station wishing to check in please call now.
(repeat as needed)

Does anyone have comments for the net?

Are there any additional check-ins?

Is there anything this net can do for anyone before we close?

Thanks to everyone for your participation in the net today.

73 and you may secure.

At _____ AM this session of the Alabama Day Net is closed and this frequency is now available for regular amateur use.

This is _____ Clear.

(SEND NET REPORT TO NET MANAGER)
